

CHARTER OF THE BOARD OF TRUSTEES

The purpose of this charter is to set out the mandate and responsibilities of the board of trustees (the “Board”) of Slate Office REIT (the “REIT”), subject to the provisions of applicable statutes, the Declaration of Trust of the REIT and acknowledging the role and responsibilities of Slate Asset Management LP, as manager of the REIT (“Slate”), pursuant to the terms of an amended and restated management agreement, dated August 12, 2014 (and effective November 4, 2014), as may be amended, supplemented or amended and restated from time to time, between Slate and the REIT (the “Management Agreement”).

1. Composition

The Board shall be constituted with a majority of individuals who have been determined to be “independent” by the REIT within the meaning of National Instrument 58-201– *Corporate Governance Guidelines*.

The Board shall function with an independent Chair or if the Chair is not independent, then the independent trustees shall select from among their number a trustee who will act as “Lead Trustee” and who will assume responsibility for providing leadership to enhance the effectiveness and independence of the Board. The Chair, if independent, or the Lead Trustee if the Chair is not independent, shall act as the effective leader of the Board, and in the case of the Lead Trustee, in accordance with the roles and responsibilities set out in the position description established for the Lead Trustee.

2. Responsibilities of the Board of Trustees

The Board is responsible for the stewardship of the REIT and, in that regard, shall be specifically responsible for:

- (a) adopting the strategic planning process presented and/or recommended by Slate, and approving, on at least an annual basis, a budget prepared and presented by Slate, and evaluating and discussing a strategic plan for the upcoming year which takes into account, among other things, the opportunities and risks of the REIT’s business and investments;
- (b) supervising the activities and managing the investments and affairs of the REIT;
- (c) approving major decisions regarding the REIT;
- (d) in consultation with Slate, defining the roles and responsibilities of management;
- (e) reviewing and approving the business and investment objectives to be met by management;
- (f) assessing the performance of and overseeing management;
- (g) reviewing the REIT’s debt strategy, as prepared and/or recommended by Slate;
- (h) identifying and managing the REIT’s risk exposure;
- (i) ensuring the integrity and adequacy of the REIT’s internal controls and management information systems;
- (j) succession planning;

- (k) establishing committees of the Board, where required or prudent, and defining their mandate;
- (l) maintaining records and providing reports to Unitholders;
- (m) ensuring effective and adequate communication with Unitholders, other stakeholders and the public;
- (n) determining the amount and timing of distributions to Unitholders; and
- (o) acting for, voting on behalf of and representing the REIT as a holder of limited partnership units of FAM Management Limited Partnership.

It is recognized that every trustee in exercising powers and discharging duties must act honestly and in good faith with a view to the best interest of the REIT. Trustees must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, trustees are expected to carry out their duties in accordance with regulations adopted by the Board from time to time, the current regulations being annexed hereto as Schedule A.

It is expected that management will co-operate in all ways to facilitate compliance by the Board with its legal duties by causing the REIT and its subsidiary entities to take such actions as may be necessary in that regard and by promptly reporting any data or information to the Board that may affect such compliance.

3. Meetings

The Board will meet at least once in each quarter and not less than four times per year: three meetings to review quarterly results for each of the REIT's first three quarters completed in the relevant fiscal year and one meeting prior to the issuance of the annual financial results of the REIT, with additional meetings held as deemed advisable. The Board shall meet periodically for meetings at which non-independent trustees and members of management are not in attendance to ensure that the Board functions independently. At each regularly scheduled Board meeting, unless otherwise determined by the Board, an in-camera meeting of independent trustees will take place. The Board appreciates having certain members of senior management attend each Board meeting to provide information and opinion to assist the trustees in their deliberations. Management attendees will be excused for any agenda items that are reserved for discussion among trustees only.

The Board, including any individual trustee, shall have the authority to retain legal counsel, consultants or other advisors to assist it in fulfilling its responsibilities. The REIT shall provide appropriate funding, as determined by the Board, for the services of these advisors.

4. Board Meeting Agendas and Information

The Chair, in consultation with management of the REIT, will develop the agenda for each Board meeting. Agendas will be distributed to the trustees before each meeting, and all Board members shall be free to suggest additions to the agenda in advance of the meeting.

Whenever practicable, information and reports pertaining to Board meeting agenda items will be circulated to the trustees sufficiently in advance of the meeting. Reports may be presented during the meeting by members of the Board, management and/or staff, or by invited outside advisors. It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it will not be prudent or appropriate to distribute written materials in advance.

5. Measures for Receiving Unitholder Feedback

All publicly disseminated materials of the REIT will provide for a method for receiving feedback from unitholders.

6. Telephone Board Meetings

A trustee may participate in a meeting of the Board or of a committee of the Board by means of telephone, electronic or such other communications facilities to permit all persons participating in the meeting to communicate with each other, and a trustee participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the Board to follow an agreed meeting schedule as closely as possible, from time to time, with respect to time sensitive matters, telephone board meetings may be required to be called in order for trustees to be in a position to better fulfill their legal obligations. Alternatively, management may request the trustees to approve certain matters by unanimous written consent.

7. Expectations of Management

Management will be required to report to the Board at the request of the Board on the performance of the REIT, new and proposed initiatives, the REIT's business and investments, management concerns and any other matter the Board or its Chair may deem appropriate. In addition, the Board expects management to promptly report to the Chair any significant developments, changes, transactions or proposals respecting the REIT or its subsidiary/entities.

8. Communications Policy

The Board approves the content of the REIT's major communications to unitholders and the investing public including the REIT's Annual Report, Management Information Circular, Annual Information Form, and any material change reports, prospectuses or other offering instruments that may be filed with provincial securities regulators or stock exchanges from time to time. The Audit Committee shall review and recommend to the Board the approval of the quarterly and annual financial statements (including the Management's Discussion & Analysis of Results of Operations and Financial Condition) and press releases relating to financial matters. The Board also has responsibility for monitoring all of the REIT's external communications. However, the Board believes that it is the function of management to speak for the REIT in its communications with the investment community, the media, customers, suppliers, employees, governments and the general public.

The Board will have responsibility for reviewing the REIT's policies and practices with respect to disclosure of financial and other information including insider reporting, material change reports, and other trading. The Board will approve and monitor the disclosure policies designed to assist the REIT in meeting its objective of providing timely, consistent and credible dissemination of information, consistent with disclosure requirements under applicable securities law. The Board will review the REIT's policies relating to communication and disclosure on an annual basis.

Generally, communications from unitholders and the investment community will be directed to the Chief Financial Officer, who will coordinate an appropriate response depending on the nature of the communication. It is expected, if communications from stakeholders are made to the Chair or to other individual trustees, management will be informed and consulted to determine any appropriate response.

9. Internal Control and Management Information Systems

The Board has the responsibility for the integrity of the REIT's internal control and management information systems. All material matters relating to the REIT and its business require the prior approval of the Board. In accordance with the Management Agreement, management is authorized to act, without Board approval, on all ordinary course matters relating to the REIT's business.

The Audit Committee has ultimate responsibility for ensuring internal controls are appropriately designed, implemented and monitored and for ensuring that management and financial reporting is complete and accurate, even though management may be charged with developing and implementing the necessary procedures.

If at any meeting a ballot is demanded on any other question or as to the election of Trustees, the vote shall be taken by ballot in such manner and either at once, later in the meeting or after adjournment as the chairperson of the meeting directs. The chairperson of any meeting of the Unitholders may, in his discretion, accept telecopier or written communication as to the authority of any Person claiming to vote on behalf of and to represent a Unitholder notwithstanding that no proxy conferring such authority has been lodged with the REIT, and any votes given in accordance with such telecopier or written communication accepted by the chairperson of the meeting shall be valid and shall be counted.
