

Investment Analyst (Europe)

Anticipated Start Date: As Soon as Practicable

Location: Frankfurt, Germany

Company Overview

Slate Asset Management (“Slate”) is a leading investor in global real estate and infrastructure assets with approximately \$12 billion (CAD) in assets under management (as of September 30, 2025). Slate focuses on fundamentals with the objective of creating long-term value for our investors and partners across the real assets space. Slate’s platform has a range of investment strategies, including opportunistic, value add, core plus, and debt financing. Slate’s investment approach seeks to create long-term value with an emphasis on capital preservation and attractive returns.

Slate continues to grow its European footprint, scaling its investment platform in the region across strategies, geographies and asset classes. Slate is supported by a team of exceptional people across global office locations in the U.S. (New York and Chicago), Europe (London and Frankfurt) and Canada (Toronto), which enables the firm to originate and execute on a wide range of compelling investment opportunities. We operate in a collaborative and team-focused work environment that provides opportunities for growth, autonomy and career progression. We value entrepreneurial mindset, dedication and teamwork.
